MORE CARGO NETS

NSN 3990-01-491-4714 gets a cargo net for the M1077 PLS flatrack. This net is also used on the M3 and M3A1 flatracks. Use NSN 3990-01-491-4725 for a cargo net for use on all M923 and M925 model long-bed 5-ton trucks. These nets are like the ones shown on Page 10 of PS 591 (Feb 02). Make a note until these NSNs are added to the AAL for the flatracks and the trucks.

Bradley Tarp

Crewmen, using the green tarp listed in the Basic Issue Items section of your operator's manuals is like painting a bull's-eye on your tan-colored vehicle. Keep your camouflage intact by ordering a tan-colored tarp with NSN 2540-01-330-8062.

WINDSHIELD WIPER BUSHING

You can't make wiper arms work on M44-, M39- and M809-series trucks without the bushing that fits between the motor and the arm. Get the bushing with NSN 3120-00-293-5041.
